

M. K. WEEDEN CONSTRUCTION and WEEDEN CONSTRUCTION

Safety Mission Statement-

We are a team of skilled professionals committed to safe work places. We achieve our safety goals through training, teamwork, and actual performance. We challenge ourselves to work safely. We report problems immediately and accurately. At Weeden, we proudly build workplaces that are safe for everyone.

Individual Commitment

As a safety conscious Weeden employee I commit myself to:

1. ATTIRE- I will dress appropriately for work and wear protective equipment as required.
2. AWARENESS- I will help identify and minimize jobsite hazards.
3. COMMUNICATION- I will make others aware of unsafe conditions or acts and expect the same of others.
4. ENFORCEMENT- I will work to encourage compliance with safety rules. I expect that the rules will be enforced.
5. INCENTIVE- I look forward to the rewards received for positive results.
6. MEASUREMENT- I understand that my efforts are measurable by incident rates and accident costs.
7. PUBLIC PRECEPTION- I realize that my performance is visible and evaluated by the public and that my actions will reflect directly on the company.
8. REPORTING- I will report accidents immediately.
9. TEAMWORK- I will work with my crew and others to keep our work sites safe.
10. TRAINING- I will participate in safety meetings and other training.
